Masaya OKITA and HUNET, INC. hereby disclaim the terminal part of any patent granted on application Serial No. 10/038 451, and any continuations and divisions thereof, which would extend beyond the expiration date of United States Patent Nos. 6 154 191 and 6 424 329, issued on July 23, 2002, and any continuations or divisions thereof, and hereby agree that any patent so granted on application Serial No. 10/038 451, and any continuations or divisions thereof, shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to United States Patent Nos. 6 154 191 and 6 424 329, and any continuations and divisions thereof, this agreement to run with any patent granted on application Serial No. 10/038 451, and any continuations or divisions thereof, and to be binding upon the grantee, its successors or assigns.

Masaya OKITA and HUNET, INC. do not disclaim any terminal part of any patent granted on application Serial No. 10/038 451 that would extend to the full statutory term as presently shortened by any terminal disclaimer of United States Patent Nos. 6 154 191 and 6 424 329 in the event that it later: expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.
